

Hazel's July Happenings 2018

July 2018 Visit Hazelsbridge.com for schedule, results and breaking news. Call us at (416) 221-0069

New Games

There are TWO new and terrific games for our players to enjoy at Hazel's.
Wednesday mornings 10:00-12:00 will feature a Fast Pairs competition. We will play 24 boards at 5 minutes each. \$10 charge BUT, play free in the afternoon game after you've played that morning.
Thursday morning features a new duplicate game BAGELS & BRIDGE. For players of all levels. Starting time is 9:30. Cost is \$10 stay and play in the afternoon game for only \$6. Please enjoy both new games as well as all of Hazel's weekly scheduled games. This month features a Club Championship week from July 16th thru July 21st.

Lessons with Hazel and Harold

Lessons are always available at Hazel's. Check our website for the topics of the month. In July, Hazel will continue teaching "The Convention Card". Hazel will review segments of the convention card and explain what they mean and how they relate to bidding and defense. Lessons begin at 9:30 and will include instruction followed by hands to reinforce the skills.

Join Harold Baba every Wed. morning 9:30-11:30 for Intermediate Lessons. Check the website monthly for topics.

Hazel's July Happenings 2018

The Back Page

Active Ethics

"Please Move for the Next Round"

With the nice summer weather outside to enjoy, we respect the fact that our players want to be able to leave shortly after 3:45 in the afternoon once the bridge game is complete. Traffic is busier as the afternoon becomes early evening and many people want to spend some daylight hours outdoors with their families and friends.

One of the ways all of us can make this happen is to remember that "duplicate bridge is a timed event" and the designated "15 minute" time limit per round needs to be respected. Sometimes a hand comes up which presents a challenge and it is necessary for a pair to exceed that time. If that's the case, please remember that it's the responsibility of the N/S pair to pass one board so that the next table is not impacted. By doing this consistently, we make sure that the game moves along at a good pace and that everyone's wishes to finish the game in a timely fashion are respected. When a pair has been delayed in coming to your table, please greet them appropriately and cease all discussion about the previous hands!

Keeping the game moving is everyone's responsibility. The club appreciates your adherence to the time limits.

Team League 2018/2019

July is a great time to begin thinking about putting your team together for the start of the Fall/Winter Team League. Hazel's Team League is the best League in town welcoming players of all ability levels. Registration will begin during August so that the league can be up and running by early October.

Please see Hazel for details regarding the 2018/2019 league and start putting your team together!
